Saint Rita School Philosophy of Learning

Saint Rita Preschool believes:

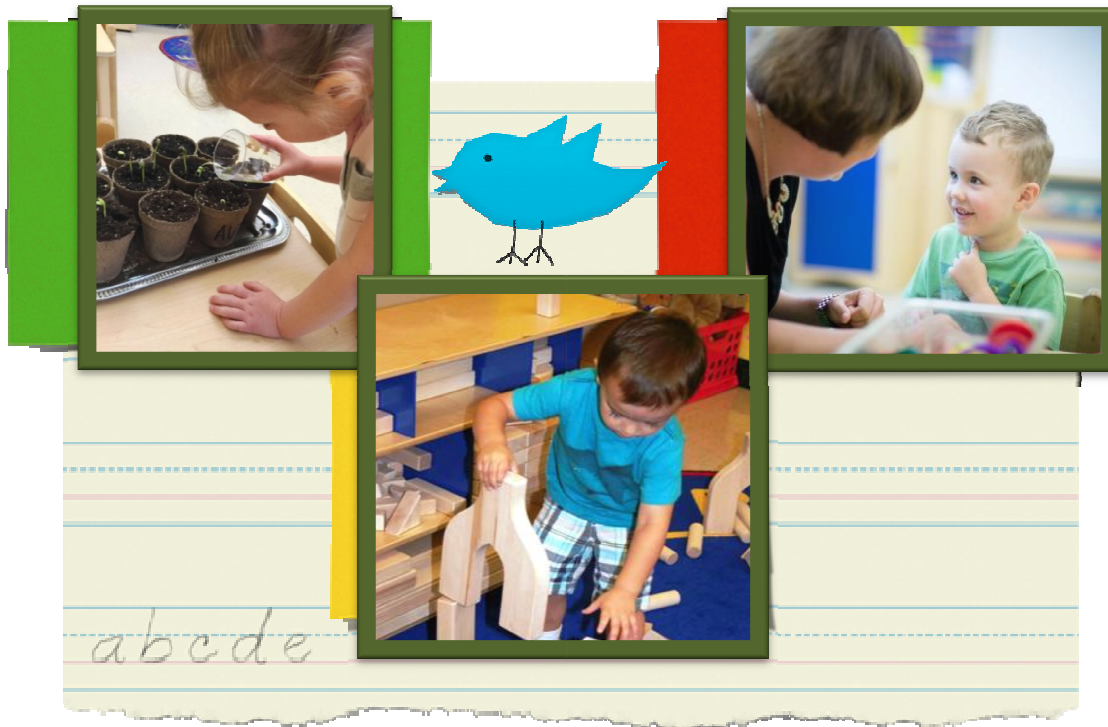

- All children are created in God's image and have great dignity
- Parents are the primary educators of their children
- We partner with parents to help their children grow in wisdom, faith and knowledge
- Teachers are called to be disciples of prayer, models of Christianity, life-long learners and generous servants
- The education of children is a parish ministry to be supported by the parish community
- We have the responsibility to prepare children for life in this world and the next

Following the example of our patroness, Saint Rita, we strive to instill in our students lively sentiments of patience, perseverance, tolerance, forgiveness, acceptance of suffering and desire for peace.

ENRICHMENT

Saint Rita Preschool offers weekly enrichment classes, hosted by our K-8 Specials teachers. Classes include Music and P.E.

Saint Rita Preschool embraces the idea that "the soul of education is the education of the soul" (Pope Pius X1)

We are a small Catholic preschool dedicated to forming children intellectually and spiritually using the teachings of the Catholic Church. We treasure Faith in Jesus Christ and are dedicated to serving His people.

Our preschool classroom is a play-based environment that is designed to develop the whole child. Opened in the fall of 2011, Saint Rita Catholic Preschool offers parents a unique program that blends a classic, child-centered preschool experience with the Catechesis of the Good Shepherd.
