

Extended Day Program

a safe, friendly, family-oriented program of before and after school care for children in gr. K-8

general program information

The purpose of the Saint Rita Extended Day program is to support parents by providing quality and consistent supervised care beyond normal school hours. Emphasis of the program is on providing a secure and loving environment that is consistent with the school and home environment. We foster respectful interaction among children and adults, provide creative activities and strengthen independent study habits.

The Extended Day Program runs from 7:00 am - 8:00 am and from 3:15 pm - 6:00 pm. On early dismissal days, the program operates normal morning hours and from 11:30 am - 6:00 pm.

Families must have completed the registration forms and paid the required fee before participating in the program.

A nutritious snack will be served to all children attending the program. No other food will be available, so children who need more than the snack provided should bring a snack and/or drink with them to school.
