

# ***School Supply List 2021-2022***

*We are distributing to all the teachers the supplies that have built up over time (rulers, mountains of glue sticks). The school will also be providing a nature observation log book for all science classes, a sketchbook for all art classes, a personal white board and personal eraser, and Humanities binder materials for rising 3rd-8th graders. This will be funded via a materials fee billed through FACTS in August (approx \$20-25).*
